The My Elks Mobile App can support your lodge auxiliary organizations as well!

Download the My Elks App today in your App Store

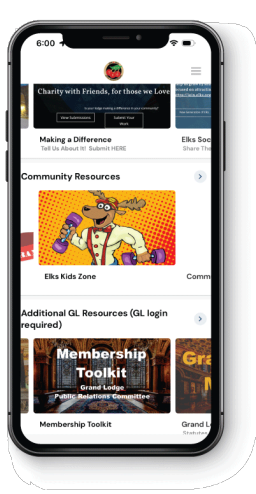

In addition to our organization's role as a beacon of hope for those in need in our communities, we provide multiple opportunities for members and spouses to socialize both through the lodge and through various auxiliary organizations such as spouse's groups, RV clubs, bands, motorcycle groups, paddle boarders, golfers, card players, and more! The My Elks Mobile App can also be used to help keep members aware of all the potential activities in your lodge they can join in order to take further advantage of their membership by associating with some of the **Best People On Earth!** The My Elks Mobile app allows auxiliary groups to

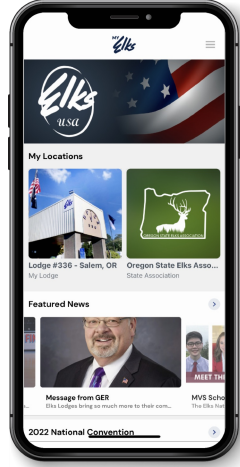

- **Post events** to the dynamic events calendar so members can see events, meetings, trips, etc. The dynamic events calendar postings can include sign-up links. Members can also use the calendar to add events to their mobile device calendars to receive reminders to attend events they are interested in.
- **Set up dedicated content carousels** for auxiliary groups to share information about themselves, post sign-up forms, and more! Make sure you use this resource to show members all the ways they can be involved in your lodge. Active lodges that give members ways to be involved have an easier time retaining and recruiting new members!!!

The My Elks Mobile App helps connect members with the lodge, increasing the fraternal bond and member engagement. Ultimately, engaged members are retained members. The My Elks Mobile App is available **free to members** in the Apple App Store and Google Play Store today! In order to take advantage of these features for your committee, your lodge will need to sign up for this new resource by contacting: <https://giantkiller.com/checkout/my-elks>.
