

The My Elks Mobile App supports growing member participation in our Youth Activities, Hoop Shoot, Soccer Shoot, Scholarship, and Drug Awareness Programs

How the My Elks Mobile App can increase engagement with your Youth Activities program

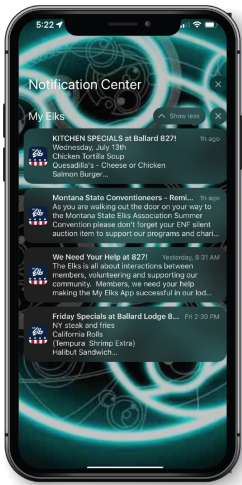

Download the My Elks App today in your App Store

The Elks are dedicated to ensuring our future through our youth programs meant to build gritty kids through our Hoop Shoot free throw contest, ensure a drug-free life through our Drug Awareness Program, and give thousands of kids across the country access to a better life via education thanks to our Scholarship Program. The My Elks Mobile App can help you promote your youth programs to your members and increase your participation and engagement.

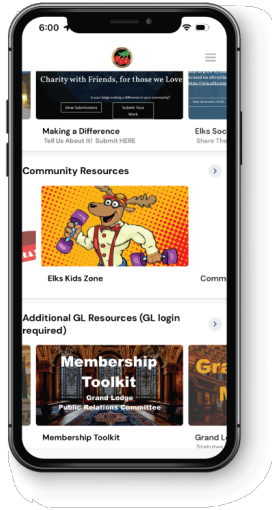

- **Push Notifications** allow you to send reminders to members about your Hoop Shoot, Soccer Shoot, Red Ribbon Week, scholarship deadlines, and more!
- **Volunteer sign-up forms** via third-party integrations allow you to generate event and project specific volunteer sign-up forms that can be posted in the app and in the dynamic calendar for easy access by members. This feature can be used to recruit scholarship judges, Hoop Shoot officials, and more!
- **News carousels** let you highlight your scholarship and contest winners for members and others. You can also post your winning essay and poster contest submissions for all your members to see!
- **Youth resources** are also easily available in the app with links to the Drug Awareness Program, Elks Kids Zone, and Teen Zone resources. Your lodge can also post the link to the scholarship application if you have members with high school aged kids or grandkids to make applying easy!

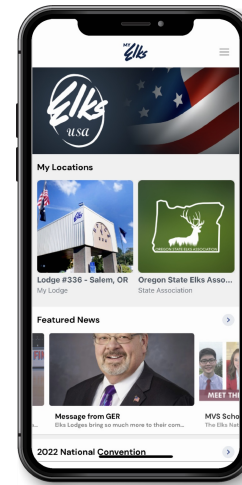

The Elks have committed to supporting our nation's youth, and the My Elks Mobile App will help us honor that commitment. The My Elks Mobile App is available **free to members** in the Apple App Store and Google Play Store today! In order to take advantage of these features for your committee, your lodge will need to sign up for this new resource by contacting: <https://giantkiller.com/checkout/my-elks>.
